IV. CHRONOLOGICAL EVENTS:

On 13 September 2026, from 0930H to 1030H, personnel from various Coast Guard Auxiliary Squadrons representing different Coast Guard Auxiliary Districts participated in the second and final session of the PCGA Legal Awareness Webinar, conducted via Zoom and organized by PCGA Legal Services as part of its two-part Legal Education Program. Representing the CGADCV were personnel from the 200th, 202nd, and 212th Coast Guard Auxiliary Squadrons. The session focused on the topic "Overview of Maritime Zones under the United Nations Convention on the Law of the Sea (UNCLOS)" and provided participants with a broader understanding of the various maritime zones recognized under international law, their jurisdictional scope, and the corresponding rights and responsibilities of coastal states. Attendance was monitored through the Zoom platform, with participants providing their complete names, PCGA ranks/designations, and respective squadrons for proper documentation and certificate issuance.
